To our friends -- We have decided to use this area to share things with our visitors. It could be words of encouragement, revelations, prophecies, etc. If you have something you would like to share, we encourage you to submit it to us for review and editing as may be required. Any submissions will remain anonymous. All glory goes to God. We will find a place in our Storehouse to archive these for future reference. Emails may be sent to submissions@ministryofprayer.org. We pray you be blessed as you visit this website.

NOTE: We invite you to download our newly created "Promise Card" which is stored under Scriptures for Framing. We hope it will bless you.

Jerusalem

There is probably no more contested piece of land on this earth. Cherished by 3 major religions and no wonder. It was the place chosen by God to let His presence dwell. It was to be among the people He had chosen to make a name for Himself and show His goodness - the depth of His mercy and love for His creation.

Israel is God's prophetic time clock and numbers are important to God. The recent celebration of the 70th birthday of Israel and the 50th of Jerusalem as their capitol. The recognition of Jerusalem by the United States as their capitol was significant. The eclipses of the sun and the blood moons also serve as signs which God said they would be used for.

There have been two temples in Jerusalem so far. The Word tells us there will be a third that will be profaned by the antichrist. The world didn't think there would ever be another state of Israel but that was birthed in 1948. Now there is active contemplation of the third temple. Altars, utensils and the necessary red heifer are all being made ready in preparation.

I know Christians have thought since the beginning they were living in the last times and that Jesus was coming any day. However, there are many things in the Bible that must first take place. They are now falling into place with such frequency. These are probably the most prophetic times since Jesus walked the earth.

We Christians know that we are now the true temple of God. He has chosen to dwell in His people instead of just among them. Are you watching and waiting? Do you have your lamps trimmed and full of oil or will you be caught unaware and not looking for His coming? The Word says that to those that look for Him, He will appear a second time unto full salvation. God is long-suffering and not willing that any should perish, but there is a set time.

God has chosen each of us to live in this prophetic time. He has a purpose and plan for each life. We must be willing and obedient. Most important, we must be listening. It is in that quite still voice that He speaks to each of us. Let us train our ears to hear.

Heavenly Father, teach us to number our days, that we may gain a heart of wisdom. Help us to recognize the urgency of the times. All the worldly distractions are only meant to draw us away from you. Speak again and help us to hear. You are all our desire. All our springs are in You. Help us to give our all for You -- to bathe in your goodness and know the love of Christ which passes knowledge.
