headlines one

"he who walks with wise men will be wise, but the companion of fools will be destroyed." prov 13:20

i thought i would adopt a new segment occasionally, highlighting some of the headlines i am viewing about the condition and happenings going on in the world. but take solice my friends, "but be of good cheer, I have overcome the world." john 16:33

rapid advances in AI spell the end of personal privacy ushering in a pro-pedophilia dystopian global society we live in an age of unprecedented digitization. but with the ease of paying for a sandwich with your phone comes greater surveillance and the ability for authorities and corporations to track your every move—and limit access to services instantly, if they so choose. and guess what? they so choose. rapid advances in artificial intelligence, drones, and facial recognition mean that invasive tracking systems will become even more widespread.

UN agencies' report subverts age of consent, proclaims sex with minors 'may be consensual in fact'
a switzerland-based group has issued a report urging nations to end the criminalization of various acts – the most notable being sex with a minor who supposedly consents to the activity.

the IMF has just unveiled a new global currency known as the “universal monetary unit” that is supposed to revolutionize the world economy
a new global currency just launched, but 99 percent of the global population has no idea what just happened. the “universal monetary unit”, also known as “unicoin”, is an “international central bank digital currency” that has been designed to work in conjunction with all existing national currencies.

globalists orwellian censorship is being ramped up to the next level
according to this new story over at mercola that steve quayle linked to on his website saturday morning, if we stay upon the same path we’ve been on for the last decade+, there’ll be nothing that can stop outright hell upon earth within the next 7 years, though much sooner than later as we’ll explore within this story,

largest teachers union in united kingdom votes to have drag queen grooming hour in all schools
the national education union (NEU), the largest teachers union in britain, is calling for schools across the united kingdom to bring in drag queens to groom children in every school.

recording exposes homosexual teacher’s bullying of students
a british homosexual teacher at a state-run “academy school” in london was secretly taped telling his students that (pro-)”LGBTQ” education is mandatory and if they disagree with it, “you need to go home and have a conversation with your parents” and ask them: “why are my values so different to what britain is? why

have i got this view? where does it come from?"

amish farmer threatened for not giving up traditional farming

armed federal agents were used to threaten a traditional amish farmer just 150 miles outside washington, d.c., who does not use pesticides, fertilizer, or gas to run his farm.

SNL goes all in on supporting mutilating children, as 'non-binary' cast member go on rant about 'protecting' trans kids

the rant about supporting sex change surgeries and hormone treatments was delivered by molly kearney, who identifies as "non-binary."

pfizer is killing children for profit: europe suffers unprecedented loss of lives among its children with 760% increase in excess deaths since EMA's emergency approval of COVID vaccine for kids

it was the summer of 2021 when the european medicines agency (EMA) approved the use of the pfizer covid-19 vaccine for children aged 12 to 15. the decision was met with unjustified excitement and relief by many parents who had been eagerly waiting for a vaccine for their children.

what effect do mRNA "vaccines" have on human consciousness?

...could it be the case that the genetic processes induced by covid vaccination have curtailed rational thought and promoted indifference to risk? in short, does mRNA vaccination drill down to the interface between consciousness and genetics – interfering with

the very basis of mental clarity and physical health?

evil by invitation only

we have let them in. evil does exist and it's by invitation only. pure and unspeakable evil has entered our country. and no wonder, it was invited. it can be petitioned by word or deed. but, in our case it was both. this brace of evil can be found not only here in the united states, but canada and much of the western world. and few people with any voice are talking about it. hollywood is often a mirror of society. is that why we are seeing a rash of new releases concerning evil, and demons?

these are just the headlines from one day. it gives one a deeper understanding of the scripture, "take therefore no thought for the morrow, for the morrow shall take thought for the things of itself. sufficient unto the day is the evil thereof." matt 6:34
