The Chinese Communist Party is rewriting the Bible ...A possible sneak preview of what a Bible with socialist characteristics might look like appeared in a Chinese university textbook in 2020. The rewritten Gospel of John excerpt ends, not with mercy, but with Jesus himself stoning the adulterous woman to death.

13 Nations agree to engineer global FAMINE by destroying agriculture, saying that producing food is BAD for the planet

We are now being told that producing food is bad for the planet. To “save” the planet, globalists insist, farms must be shut down across the globe.

Store Food While You Still Can, Because 2.4 Billion People Already Do Not Have Enough Food As This New Global Famine Accelerates

Global food supplies just keep getting even tighter, and global hunger has risen to extremely alarming levels. People on the other side of the world are literally starving to death as I write this article, but most of us in the western world simply do not care about the millions that are deeply suffering because the mainstream media hardly ever talks about what is happening. But the truth is that we are feeling the impact of this global food crisis too.

Here Come The Grasshoppers...

It was just a matter of time before the grasshoppers joined the party. In 2023, global crops have been devastated by plague after plague. Farmers in the U.S. and elsewhere have had to deal with seemingly endless drought, unprecedented heat, nightmarish flooding and horrifying outbreaks of disease. In fact, citrus greening disease is one of the primary reasons why the orange harvest in Florida is on

BEAST MODE: Colorado Begins Mark Of The Beast 'Proving Grounds' As Amazon One Allows Payments With Your Palm At 11 Whole Foods Locations

My daughter Megan..sent me a text message with some crazy photos late last night about her incredible experience at their local Whole Foods store in Colorado. She went to check out and noticed, for the first time, that her Whole Foods was now using Amazon One for payments, and one of the options offered to her was to make a palm payment. Today it's a payment through the front of your hand, and very soon it will be a payment through the back of your right hand or forehead. Guaranteed.

Google Is Testing An AI Tool Named 'Genesis' That Will Create News Stories Using Artificial Intelligence And Be Disseminated Through The Legacy Media

Of course, the old joke about the legacy news media has long been that the stories are written with artificial intelligence because it's not real news, going all the

way back to the original fake news known as 'Yellow Journalism'. But all that is about to change. The global dominators at Google are working on a new project, codenamed 'Genesis', that will use AI technology like ChatGPT to write news stories and articles for all the main fake news merchants. And the fact they've named it 'Genesis'? Don't get me started.
