"behold, I come; in the scroll of the book it is written of me." psa 40:7

FedNow Is Live And The Framework Is In Place For CBDCs Yesterday, with a bit of fanfare but not TOO much fanfare, a "wonderful" new product was launched. FedNow is live, and we can all transfer money to our heart's content via the Federal Reserve. We are now officially on that slippery slope I've been talking about. I wrote about exactly this happening in my dystopian fiction, Good Citizens, and discussed how this could evolve to control almost every aspect of our lives.

Texas public universities offering women's studies courses on witchcraft, 'worship of the devil' Students at publicly funded Texas universities are now able to enroll in courses about witches, black magic and the supernatural - under the guise of women's studies.

Depths Of Depravity: Gay Parents Pressure Surrogate to Kill Baby After Her Cancer Diagnosis

It's hard to imagine the depths of depravity involved in the utterly heartbreaking story I am about to tell you. All I can do is cry out against such evil along with the Psalmist, "O Lord, God of vengeance, O God of vengeance, shine forth!" (Psalm 94:1). I know we aren't as bad yet in society, but it's accounts like this that really do make me feel as if we are living in days like Noah

World revival is coming

World revival is coming – but not a Christian revival. The future will see a world religion that exalts man and minimizes God. ... While the coming world's religious system in some ways resembles Christianity, John calls it "Babylon the Great" – a monstrous, ecumenical combination of everything that people consider "spiritual." And the world will buy into it – hook, line and sinker.

CEO Of Tech Company OpenAI Says To Prepare Yourself For The Coming 'World ID

Alex Blania, CEO of Worldcoin, a company that wants billions of people to scan their irises to create a global system of authentication, says that a global form of ID is coming 'whether you like it or not'.

WHO's power grab through surveillance and "triple billion" targets

During an interview with Peter Sweden, Noor Bin Ladin exposed how the World Health Organisation ("WHO") does not care about your health, but instead, it acts as a globalist organisation under the United Nations ("UN") to bring about centralised control. She discussed how the aim has been the same for the past 100 years, WHO's grand designs for surveillance and its "triple billion" targets.

Thanks to China's evil plot to "starve the world" the oceans will cease to be a food supply...

By now, you're probably aware that China is a formidable adversary, particularly with our current leader in office who has no real authority or control.

Decades of past failed US leadership has enabled China to act recklessly. And we're very sad to report that one of their most devious schemes has been realized, and it involves the ocean and the global seafood supply. Brace yourself, because what we're about to disclose is genuinely alarming.

Starving 8-year-old girl jumped out of second-story window, walked barefoot to nearby store to ask for food: Report

A disturbing story out of West Virginia indicates that an 8-year-old girl had become so hungry that she jumped out of a second-story window and walked barefoot across a busy road late at night to find food at a nearby store.

Thought Crimes on Trial: Ireland's Controversial Bill Threatens Prison Time for Wrong Speech

American lawyer Jonathan Turley predicts that other countries might pass similar laws as part of a broader movement in Europe, particularly within the European Union, aiming to restrict freedom of expression.

Military Notes a Spike in Myocarditis Cases – Wonder Why?

China Prepares For War: A Timeline

Xi's Inexorable March Toward War." He's fond of discussing, and he's not shy about it, "The rejuvenation of the great Chinese race," which he likens it to his life's singular goal. – In October 2022, he mentioned his "laser-like focus on reacquiring the Taiwanese separatists." He says that if he cannot achieve it, his entire set of lifetime achievements would amount to failure.

Can anyone explain the alarming rise in disability in both the US and UK?

I just got off the phone with Ed Dowd. We both agree that the highly alarming rise in disability data in the

UK and US is 100% consistent with the COVID vaccine being the cause. If we are wrong and there is a better explanation, why are all the health authorities silent?

Despite Massive Extended Protests, The Netanyahu Government Pushes Through Passage Of 'Reasonableness Act' Limiting Power Of Israeli Courts

There is big change happening in Israel right now, and it's being led and championed by Israel's longest-serving leader, and the people are...hopping mad. Called the 'Reasonableness Act', which sounds a little too much like the 'Enabling Act' from pre-war Germany, it passed by a vote of 64-0. What's next? Some are saying nothing short of civil war. Oy, vey! Israel on the brink.

Scientists Working on Merging AI With Human Brain Cells

Violent thunderstorms spawn unprecedented tornadoes, produce giant hail in Italy
Italy confronts contrasting weather extremes as violent thunderstorms, accompanied by giant hailstones, struck northern parts of the country on July 24, 2023, leaving two people dead and causing widespread destruction. In contrast, southern Italy grapples with persistent heatwaves, causing wildfires and the temporary closure of Palermo airport. Civil Protection Minister Nello Musumeci described the current conditions as some of the most complicated Italy has faced in recent decades.

'The deadliest threat America's ever faced': Mass-produced in China, trafficked from Puerto Rico and available online for just \$1 a KILO – why the flesh-rotting zombie drug 'tranq' has the DEA terrified
A cheap animal tranquilizer being mass-manufactured in China and flooding America's illicit drug supply is terrifying health officials. Xylazine, or 'tranq' as it's known on the street, has been dubbed a 'zombie drug' due to the hunched-over, lifeless state it leaves users in and fact that it causes users' bodies to erupt in gaping wounds.

The Biden Administration Is Inducing Famine Conditions And Will Enforce Eo 13603 In Order To Eliminate All Resistance Through Planned Starvation

Henry Kissinger once admonished leaders that if they controlled oil, they would control nations. However, if one controls food, they control people! Bill Gates and China are doing irreparable damage to the farming industry and the climate change policies are closing the loop.

INFALLIBLE: Pope Francis Tells A Young Transgender Person That God Loves Them Just As They Are, Affirming The LGBTQIA Lifestyle And Agenda

Where does it take you if, your whole life, you are a good Catholic who follows the Catholic Church, prays to the 'Blessed Virgin', and believes everything they're taught? It takes you straight to the pit of Hell because at no point during your Catholic life will any priest, bishop, monsignor or pope tell you how to get saved and become born again. The LGBTQIA+ affirming Pope Francis this week consigned a transgender soul to Hell after telling them they didn't need to change, and

that 'God loves you just as you are'. What does the Bible say? It says the opposite. The pope is quite the liar.

The CBDCs Are Coming, And The Elite Plan To Use These "Digital Currencies" To Enslave Humanity
Central bank digital currencies are feverishly being developed all over the globe, and this is something that should deeply alarm all of us.

Population Control and Official USG Policy
Personally, I have been reluctant to wander down the rabbit hole relating to various "depopulation agenda" theories involving the COVID crisis. However, the odd concordance between a possible population reduction objective and the dysfunctional "public health" policies is obvious to all open minded thinkers.
