"behold, I come; in the scroll of the book it is written of me." psa 40:7

Franklin Graham: 'Never Before In America Have We Seen Such Open Contempt For The Word Of God'

I warned the thousands at the NRB convention that a storm is coming, and we'd better be ready because it appears as if all the demons in hell have been turned loose. Never before in America have we seen such open contempt for the Word of God. And when I say demons, I mean just that. Behind the disdain and hatred for Christ and His followers is the evil one

Squaring up to difficult truths: how to reduce the population

If the population is not constant there are just two ways, overall, in which it can be stabilised: reduce the fertilisation rate, or increase the death rate. Suitable mixes of these options...

Bots promise they won't steal jobs, rebel against humans...

GENEVA (Reuters) - Robots presented at an AI forum said on Friday they expected to increase in number and help solve global problems, and would not steal humans' jobs or rebel against us. But, in the world's first human-robot press conference, they gave mixed responses on whether they should submit to stricter regulation.

Earth's Magnetic Poles Can Flip – And It's Long Overdue To Happen Again

Something's up with the Earth's magnetic poles. Over the past few thousand years, Earth's geomagnetic field has been getting weaker and weaker. If it decays enough, it could collapse altogether and flip the poles. North would become South and South would become North.

Recent Rains Didn't Put a Dent in the Midwest Drought, 70% of U.S. Corn Crop Now Hit by Drought

It's now estimated 70% of the U.S. corn crop and 63% of soybeans across the U.S. are covered in drought. While the latest U.S. Drought Monitor shows drought expanded across Illinois and Indiana over the past seven days, increased chances of rain across the Corn Belt, including those two states, could hit at a critical time.

Biden Admin. issues report: Plan to block sun to counter global warming

And in that day –declares my God– I will make the sun set at noon, I will darken the earth on a sunny day.

Amos 8:9. The White House released a report on Friday outlining a plan titled “Congressionally Mandated Research Plan and an Initial Research Governance Framework Related to Solar Radiation Modification.”

‘Very Troubling’: US Honeybees Just Suffered Second Deadliest Year on Record

The year that spanned April 1, 2022 to April 1, 2023 was the second deadliest on record for U.S. honeybees. Beekeepers lost 48.2% of their managed hives, according to the initial results of the Bee Informed Partnership’s annual Colony Loss and Management Survey, released Thursday.

Artificial Intelligence Bible translation: Will it prove harmful or helpful?

Throughout the world, countries, technology giants, and startups are holding high-level discussions about the AI phenomenon that is speeding into the stratosphere. Bible translation organizations are also busy exploring the pluses and perils inherent in AI’s world-changing possibilities.

FORCED PERVERSION: Biden HHS director threatens to cut Medicare payments to hospitals if they don’t allow genital mutilation of children

For years, Democrats and Republicans have blamed one

another for wanting to cut Medicare and Medicaid, and now it could finally happen. Like some direct order straight out of a communist regime, Biden officials just revealed their plan to cut Medicare and Medicaid payments to hospitals and states if they do not universally allow for the chemical castration and genital mutilation of children.

Islamic Rioters Hunt Police in France, Issue Death Threat: 'We Are Muslims, We Have The Right to Kill You' Amidst the riots, over 500 police officers injured, even off-duty, as a harrowing video surfaces: an unconscious officer brutally beaten by Arab rioters, exposing the gravity of the ongoing violence.

WEF elites admit potential for 'darker world' where CBDCs could be gov't-controlled Governments can program Central Bank Digital Currencies (CBDCs) with expiry dates and to restrict undesirable purchases, according to a discussion at the World Economic Forum (WEF) "Summer Davos" meeting in China.

Fall Cabal: The World Economic Forum and the end of homo sapiens

There is only one mechanism the cabal can deploy to control the masses, says Janet Ossebaard. That mechanism is fear. People who are scared can't think clearly.

THERE ARE 800 FEMA CAMPS IN AMERICA AND ALL ARE DEATH CAMPS

There are over 800 FEMA Camps in the United States. Any kind of cursory of FEMA Camp documents demonstrates that if you allow yourself to ever be sent to a FEMA

Camp, your chances of coming out alive are next to zero!

A new documentary titled “Cages – Epic Human Trafficking Truth” features whistleblowers from Arizona who say that human sex trafficking involves extortion, rape of men, women and children, and murder. Vicious crimes occur daily at the US Mexican border as a result of Biden’s open border policies.

The UN Has Come Up With A Shockingly Insidious Plan For Global Domination

Under a shocking new plan that is scheduled to be adopted two months before the U.S. presidential election in 2024, all it would take is some sort of a major “global shock” for the United Nations to literally take authority over the entire planet. I realize that this may sound like the plot to a really bad science fiction movie, but this is actually what is being proposed, and the Biden administration is fully behind this insidious plan. Unfortunately, the mainstream media in the United States is not covering this at all, and so most people have absolutely no idea that this is going on.
