"behold, I come; in the scroll of the book it is written of me." psa 40:7

AI can create a 'new Bible,' influential author declares: 'In a few years, there might be religions that are actually correct'

Yuval Noah Harari – an influential author, professor, and renowned public intellectual – said recently that artificial intelligence can create a "new Bible."

Advanced Technology Paving The Way: US Airforce AI-Enabled Drone Turns On Its Operator

Recently the U. S. Air Force conducted a simulation in which an AI-enabled drone tasked with destroying surface-to-air missile sites attacked the very officer who was controlling it.

The ultimate goal of the Globalists is to create a singleton

The ultimate goal of Agenda 2030 is to create a "singleton," Dr. Jacob Nordangård said. A singleton is a world order in which there is a single decision-making agency at the highest level..."I don't think they will succeed because they don't work from truth, they work from lies. And truth always wins in the end," Dr. Nordangård said.

Is AI the end of the world or the beginning of something new?

AI is the end of the world! In something out of the start of a horror movie, this week top artificial intelligence researchers called for major regulation of

the technology, releasing a one-sentence letter:  
“Mitigating the risk of extinction from AI should be a global priority alongside other societal-scale risks such as pandemics and nuclear war.”

Air Force base hosts drag show it calls ‘essential for military readiness’

Nellis Air Force Base in Nevada hosted its first officially organized drag show earlier this month and said the event was essential for the morale and overall readiness of its troops.

PRIDE MONTH: Here’s How the Navy Is Training Sailors on Proper Gender Pronouns

The Navy is training its members to create a “safe space” by using proper gender pronouns in a new instructional video modeled after a children’s show.

Europe Horrified by Surge of Migrant Children Engaging in Mock Gang Rapes and Beheadings

Migrant children’s disturbing mock rapes and executions in Europe reveal a culture of silence, where politicians, police, and media deliberately ignore the crimes to protect their immigration policies.

DEATH is the new GREEN: Ireland to cull 200,000 cows to meet so-called “climate targets”

Over the next three years, the government of Ireland is planning to murder upwards of 200,000 head of cattle because allowing the creatures to live might “warm” the planet too much, they claim.

GREAT RESET: World’s Largest Asset Management Firm BlackRock Behind Forcing DEI And ESG On Companies Via

## Chinese-Style 'Social Credit' Scheme

Last week I was researching a story about the DEI page on the Chick-fil-A website, and all the purported furor it was generating. I'll be honest, I knew about the environmental, social, and governance initiatives known as ESG, but I knew nothing about the diversity, equity and inclusion of DEI. Where is all this coming from, and why is nearly every major company doing it? As it turns out, there is a simple, one-word answer to that question. BlackRock.

## Xi Jinping is Directing High-Level National Security Officials to Prepare for Conflict With the West

On May 30, 2023, Chinese President Xi Jinping said to his top national security officials to be prepared for "worst case scenarios" and "stormy seas."

## GROOMERS: US Department of Education Wishes Kids a 'Happy Pride Month

The US Department of Education is wishing children a 'Happy Pride Month' and has changed its Twitter profile picture to the so-called 'progress pride flag'.

## Examining 'Pride Month': The Days Of Lot Before Our Eyes

Our Sodom-like society continues to rage toward the Judgment-producing moment in which Jesus said He will be "revealed" (Luke 17: 28). There will be at that future time, the Lord foretold, things going on which will look exactly like things that were happening as the vexed Lot observed his surroundings in the doomed city of Sodom.

## 3 in 10 Young Americans and Mostly Democrats Support

## Government Cameras Installed in American Households, Survey Says

In a society increasingly shaped by technology and security concerns, a concerning trend is emerging among younger generations in the United States.

## PHILADELPHIA mosque caught performing child bride marriages

A Philadelphia mosque has been allowing marriages between child brides and adult men. According to Clarion Intelligence Network, sources are aware of an investigation into the underage marriages that have taken place for years.

## The Church of Psilocybin Uses Psychedelics to Worship

The army vets behind the Church of Psilocybin have a unique sacrament – one that involves a drug derived from mushrooms and a poisonous amphibian.

South Africa plans to limit water for white people by enacting “race quotas”...

This is one of those story titles that makes you go, “Is this for real?” But then you actually open it up and realize it’s true, leaving you wondering what on earth is going on in our messed up progressive clown world.

## Journalists Are Asking Ukrainian Soldiers To Hide Their Nazi Patches, NYT Admits

The New York Times has been forced to very, very belatedly deal with something which had long been obvious and known to many independent analysts and media outlets, but which has been carefully shielded

from the mainstream masses in the West for obvious reasons.

Claim: Assisted Suicide Becomes 3rd Leading Cause of Death in Quebec – 7% of All Deaths

Canada looks set to face another record-shattering year of euthanasia deaths in 2023 after a reported 35 percent rise to some 13,500 state-sponsored suicides in 2022, an analysis of official data shows.
