Pride Month 2023 Launches To A First-Ever Major Pushback As Glamour Magazine Features 'Pregnant Man' Logan Brown On Their Digital Edition Cover

Pride Month 2023 officially started today, and to quote the movie 'It's A Wonderful Life', it's 'shaping up to be a squall!'. Glamour Magazine is featuring 'proof' of a 'pregnant man' on the cover of its UK digital edition which is emblematic of what the true problem really is.

Elon Musk's Neuralink Gets FDA Approval to Study Brain Implants in Humans

Neuralink, Elon Musk's neurotechnology company, recently obtained approval from the Food and Drug Administration (FDA) to conduct a clinical study of brain implants in humans. This marks the first in-human clinical study for the company.

Criminals 'Can Find Everything' About You, Warns Surveillance Expert

Artificial intelligence (AI) has advanced to such a level that criminals can now surveil and know "everything" about their targets, including predicting where the targets could be at some point in the future, experts warn.

Shocking New York Times Review of The Little Mermaid Complains the Children's Film Had Insufficient 'Kink'

The review, perhaps correctly, noted that the film "reeks of obligation and noble intentions," but lost most people when it continued to say "joy, fun, mystery, risk, flavor, kink - they're missing."

Synthetic biology aims to replace natural life forms with something that is man-made

Several years ago, leaked FEMA documents described that people would be put into FEMA camps for, essentially, re-education. That concept “is old,” Celeste Solum told Maria Zee. The plan has been replaced by a “posthuman” ideology.

Now or Never – Israel and Iran’s Nuclear Weapons Program

Iran is busy building new, impenetrable nuclear bunkers and developing advanced ballistic missiles. What is Israel waiting for? There are all kinds of developments that indicate Israel is getting closer to direct action against Iran.

‘Surveillance over every citizen on Earth’: Devious group looks to rule entire world

The World Health Organization has set its sights on establishing “a platform for global governance through health care.”

Fears Satanists have returned as lamb’s throat slit and has Bible placed on dead body

A coven of Satanists could again be stalking the New Forest, locals fear, after a slaughtered lamb was found with a bloodstained Bible resting on its body. There were concerns raised in 2019 after evidence of Satanic rituals was found in the forest. Pigs were found with their hearts ripped out and sheep and cows were also killed and mutilated.

REVEALED: Target tells employees only ‘extremists’ are concerned with sexualization of children

As Target faces backlash, resulting in monetary losses over its Pride collection, the company has sent an internal memo stating that those who worry about the sexualization of children are extremists. The line includes clothing and accessories for children, including shirts that read “Queer! Queer! Queer!” and onesies about how trans is beautiful.

Thousands Of Roman Catholics Flock To Worship At The Dead Body Of ‘Miracle Nun’ Sister Wilhelmina Lancaster Whose Body Did Not Decay

The ‘miracle nun’ Sister Wilhelmina Lancaster whose exhumed body showed nearly no signs of decomposition four years after she died is drawing thousands of Roman Catholics hoping to worship her corpse

Biden’s ex-nuclear official played key role in blasphemous drag ‘nuns’ group

The disgraced former Biden administration official, Sam Brinton, reportedly used to serve as the principal officer for Washington D.C.’s chapter of the Sisters of Perpetual Indulgence...Brinton was also present at an explicit Easter Sunday event in San Francisco in 2019, where scantily clad men mimicked Christ’s crucifixion and poll-danced on a cross.

EMA admits COVID Vaccination causes Infertility

The European Medicines Agency (EMA) has finally admitted that Covid-19 vaccination can have an adverse effect on female fertility. The admission comes months after it was revealed in confidential Pfizer documents revealed that shedding of the Covid-19 vaccine is possible by skin-to-skin contact and/or breathing the same air as a vaccinated person, and can,

unfortunately, lead to menstrual cycle disruption among women and miscarriage among pregnant women.

Disneyland Hires Man In Dress to Greet Little Girls At Bibbidi Bobbidi Boutique

A video that was uploaded on Twitter by Jason Jones shows a grown man wearing a dress at Disneyland's Bibbidi Bobbidi Boutique. In the video a man who clearly has a mustache is wearing a dress and greeting little girls as they walk into the dress boutique.

satan Has Become One Of The Hottest Spiritual Figures In America

Should we be surprised? As our society comes apart at the seams all around us, Satan and Satanism are becoming extremely popular. Videos featuring Satan are getting millions of views on TikTok and YouTube, millions of Americans are watching shows that feature Satan as a main character on Netflix and other streaming services, and the Satanic Temple has become one of the fastest growing religious organizations that the United States has ever seen.

Warning on Upcoming Disney+ Show About a Girl Carrying satan's Baby

The family-friendly entertainment organization MovieGuide is sounding the alarm about an upcoming Disney+ that features a teenage girl's love affair with satan.

You Say You Want a Revival?

We also see no evidence of a major revival in the End Times. If anything, we expect growing apostasy and more virulent rebellion against God. That is why Jesus asked

rhetorically whether the Son of Man will find faith on the Earth when He comes again (Luke 18:8).
