Scientists Create Synthetic Human Embryos

In a groundbreaking advance, scientists created synthetic human embryos by using stem cells and without the need for eggs or sperm. The model embryos don't have a beating heart or the beginnings of a brain, but researchers say the cells could develop to form the placenta, yolk sac, and even the embryo itself.

As Russia Prepares To Use Tactical Nukes, Millions Of You Don't Even Realize You Are Going To Die In A Third World War

Russia is deploying tactical nuclear weapons to Belarus, and there is lots of talk in the Russian media about using such weapons to bring a quick end to the war in Ukraine. The theory is that once the Russians show that they are willing to use tactical nukes, the U.S. and the other western powers will back off. But that won't be what happens. 'In the event of a Third World War, there will be no winners, including America.'

IRONY: Maryland Governor Claims That Keeping Sexually Explicit Books From Children is 'Castrating' Them
Maryland's Democrat governor has claimed that keeping sexually explicit books out of schools and children's sections of libraries is "castrating" them.

Transgenderism: The New Religion – Believe it or Else!
Transgenderism is a make-believe religion that when

taken seriously endangers the lives of all people, but especially children. Those who share the gospel with others according to the instructions given by Christ, known as the “Great Commission” (Mt 28:18-20) are committed to spreading the good news, but never by force or coercion.

By 2030 you will not eat meat and you will be allowed only three items of new clothing a year, report says
A report published in 2019 and re-emphasised in 2023 recommends that by 2030 we will not be permitted to eat meat or dairy products, we will be limited to three items of new clothing per year and one aeroplane flight every three years. It will start in countries that “consume the most.”

Twitch resurrects AI Jesus

“The Ask Jesus livestream is an experimental channel allowing viewers to ask questions to an AI trained after Jesus and the teachings of the bible. Whether you’re seeking spiritual guidance, looking for a friend, or simply want someone to talk to, you can join on the journey through life and discover the power of faith, hope, and love.” AI Jesus explained the Sermon on the Mount, comparing it to a Taco Bell menu.

Then have the courage to read this article!

I have over 50 quotes from globalist leaders, both past and present, that clearly state their disdain for the average person and their desire to exterminate as many as possible. If you would like more exposure to this ideology, you may simply use the search engine on this site and research depopulation.

The UN's New Fact-Checking System Called "iVerify" Will Be Used To Crack Down On "Misinformation" All Over The World

Our world is becoming a creepier place with each passing day. Most of us just want to live our lives in peace without excessive governmental interference, but unfortunately the control freaks that are running things just can't help themselves. Ultimately, they aren't going to be happy until they are able to watch, track, monitor and control virtually everything that we write, say and do...And a new tool that was just introduced by the UN will make it much easier for them to control what we write on the Internet...
