

for such a time as this

"for if you remain completely silent at this time, relief and deliverance will arise for the jews from another place, but you and your father's house will perish. yet who knows whether you have come to the kingdom for such a time as this?" esther 4:14

i realize this verse was specifically targeted towards help for the jewish people, and in these time when all the world seems to be coming against them, it should certainly give us cause to stand for their defense. but i think the broader message goes out to us concerning the times we are now living in.

we are definitely living in the end times. we were all born "for such a time as this." if we do not answer the call will the the end be the same for us as those who did not answer the original call? "but you and your father's house will perish."

if there was any time to stand up for the truth, this is that time. the whole world is trying to draw us into agreement with their delusion. i read just the other day where someone went to the veterinarian instead of a doctor because they identified as a dog. i think everyone knows the delusion i am talking about. "there is a way that seems right to a man, but its end is the way of death." prov 14:2

we see evil and violence filling the streets and consequences appear nonexistent. gangs enter stores with totes instead of cash and freely fill them with none to restrain. scripture is coming to life before

us. "but know this, that in the last days perilous times will come: for men will be lovers of themselves, lovers of money, boasters, proud, blasphemers, disobedient to parents, unthankful, unholy, unloving, unforgiving, slanderers, without self-control, brutal, despisers of good, traitors, headstrong, haughty, lovers of pleasure rather than lovers of God." 2 tim 3:1-4

soon they will gain control of how and if you may spend your money. artificial intelligence is doubling at an alarming rate to even the knowledgeable. in other words, we are left with trying to put the toothpaste back in the tube. perhaps some of our movies have followed script with the scriptures.

can any right thinking person not recognize the convergence of all these things dictate confirmation of the times; the end times. i have heard many say they were not looking specifically for the rapture but allowing the times of tribulation to reveal the urgency of the rapture approaching.

these are our times. we were born into such a time as this, for a time like this. now is the time if you're going to serve Jesus Christ. now is the time if you're going to defend His truth. now is the time if you're going to reach out to those within your reach and warn them of the perils yet to come. and if we do not - who knows if you and your father's house will perish with them.

this is your time. this is my time. this is our time. know and share our Lord and His truth only.
